

Material Applicable

Highly
reinforced
concrete

Medium
reinforced
concrete

Reinforced
concrete

Concrete

Green concrete

Masonry

Abrasive
sandstone

Pavement slabs

Frebrick

Sandstone
(all types)

Lime and sand
brick

Hard sandstone

Optimal application / Applicable Apply in rare cases / Do not apply	4 cutters hammer drill bit
Highly Reinforced Concrete	Optimal application
Reinforced Concrete and Medium Reinforced Concrete	Optimal application
Concrete & Pavement Slabs	Applicable
Green Concrete & Abrasive Concrete	Applicable
Foam Concrete Block	Apply in rare cases
Masonry	Applicable
Lime and Sand Brick	Applicable
Firebrick	Applicable
Sandstone, abrasive sandstone and hard sandstone	Applicable

Specification

Cutting of Reinforcement

Speed of the drill

Lifetime of the drill
